'Tis the season where things tend to get busy. You want to go to all the events, eat all the food, and buy all the stuff. But we are human and this usually causes us to be overwhelmed at some point, for some sooner than others. If you're like me, you've got kids that might send out SOS signals when you're trying to do too much, or they force you to slow down when they come down with an illness or simply need some time to rest and recover. How many times do we take on more than we can, more than what's necessary, more than we were designed to do?

The Christmas season can be exciting – bright lights can help the early nights not seem so dark, giving gifts to loved ones can bring joy, and the memory-making activities can make our hearts feel warm. However the pressure to keep up with the Jones' can cause anxiety and debt, the stress of buying the perfect gift might cause you to overanalyze or lose sleep, and the organization required to achieve the long list of Christmas to-do's can get in the way of simply enjoying the people we're with. I know I struggle with this each year, and have to remind myself to take a step back and re-evaluate what I'm trying to achieve, and the resources currently available, both financial and mental.

I hope you are able to enjoy the big and small moments throughout the Christmas season and I look forward to connecting with you in 2023. I leave you with this Irish Christmas Blessing:

May the Blessings of Christmas be with you,
May the Christ Child light your way,
May God's holy angels guide you,
And keep you safe each day.

HOLIDAY SAFETY TIPS

Holiday Safety Tips from the Howick Township Fire Department:

It's time to trim that Christmas tree, and if you're using a real tree, buy a fresh tree and keep the base of the trunk in water at all times. Keep your tree away from any ignition source such as the fireplace, wood stove, heaters or candles.

With the temperatures dipping lower and the heat turned on, make sure your carbon monoxide alarm is up to date and working. Carbon monoxide is an invisible, odourless gas that can quickly kill you. Installing carbon monoxide alarms in your home will alert you to the presence of this deadly gas.

Carbon monoxide alarms are required under the Ontario Building Code near all sleeping areas in residential homes and in the service rooms, and adjacent sleeping areas in multi-residential units. **Always react to a carbon monoxide alarm that has alarmed! Get out of your home and contact your local fire department for assistance.**

FROM THE TOWNSHIP OFFICE

Merry Christmas, Happy Hannukah and Happy Kwanzaa! However you choose to celebrate the season, Council and staff of the Township of Howick extend **best wishes for a safe, happy and healthy holiday season and all the best in 2023.**

Please be advised that the Township of Howick municipal office will be closed for the 2022 holiday season from **Friday, December 23, 2022 at 4:00 p.m. and will reopen on Tuesday, January 3, 2023 at 8:30 a.m.** There is a mail slot located to the right of the front entrance for your convenience.

The Final **Council meetings for 2022** are scheduled for **December 6 at 9 am** and **December 20, 2022 at 7 pm** in the Howick Council Chambers at the municipal office. Agendas are posted on Howick's website on the Friday preceding the meeting.

New holiday lights have gone up on the streetlights in Belmore, Fordwich, Gorrie, Lakelet and Wroxeter, bringing a welcoming ambiance and helping us all get into the holiday spirit! These new, bright and energy-efficient snowflake light fixtures were purchased using grant funds received for the Festival of Lights from the Federal Government.

WROXETER HALL CHRISTMAS DINNER & SILENT AUCTION

This years event that was scheduled for December 8th has been **CANCELLED** due to a lack of volunteer support.

In the past this has always been a first class event, but it takes up to 12 weeks to organize with a volunteer crew of 12 to 15 people.

At the time of writing, we have only 6 members on the Hall Board and this is not enough to manage this event as it should be.

The demographics of our population are slowly changing but the availability of our community hall and the facilities/support services it provides are essential to the wellbeing of our community.

Remember this is **YOUR** hall for **YOU** to use and enjoy, if it is to continue then you must support itwe need volunteer helpers for a few hours a month. Please contact any Board member or e-mail us at wroxeterhall@wightman.ca

On behalf of the Wroxeter Hall Board.

HOWICK WOMEN'S INSTITUTE

The November meeting was held at the home of Ronna Lee Johnson in Fordwich.

Joanne Jones from Mined reCreations was the guest speaker via: Skype. Joanne makes unique handbags from upcycled clothing. After years of being in the financial world Joanne decided to start using reclaimed garments to create new accessories from the materials. A shape comes to mind & she expresses it through the recycled textiles. Her company uses a portion of the sales from each mined reCreation to pay for an economically challenged student to attend school (elementary, vocational, or college/university). To date \$200,000 has been used to help the students. Some of the students are now: veterinarians, nurses, in business administration, doctors, early childhood educators, fashion & textiles, tailoring to name a few. Darlene Harding thanked Joanne for her excellent presentation.

Words of Inspiration were given by Gwen Catherwood: Eye Halve A Spelling Checker & Six Little Stories with Lots of Meaning.

The December meeting will be a social gathering at 12:00 hosted by Pauline Atton & Heather Stinson.

Hey Beautiful Girl

It won't last

The hard times, the tough times,
the times you want to go by fast.
The sad times, the lonely times, the angry times,
it won't last.

The times that overwhelm you,
the times that hurt so bad.

The times that you want to forget,
the times that made you so sad.

Those times won't last.

They'll do what they came to do,
they'll shake you up and spit you out,
burn you down and wipe you out.

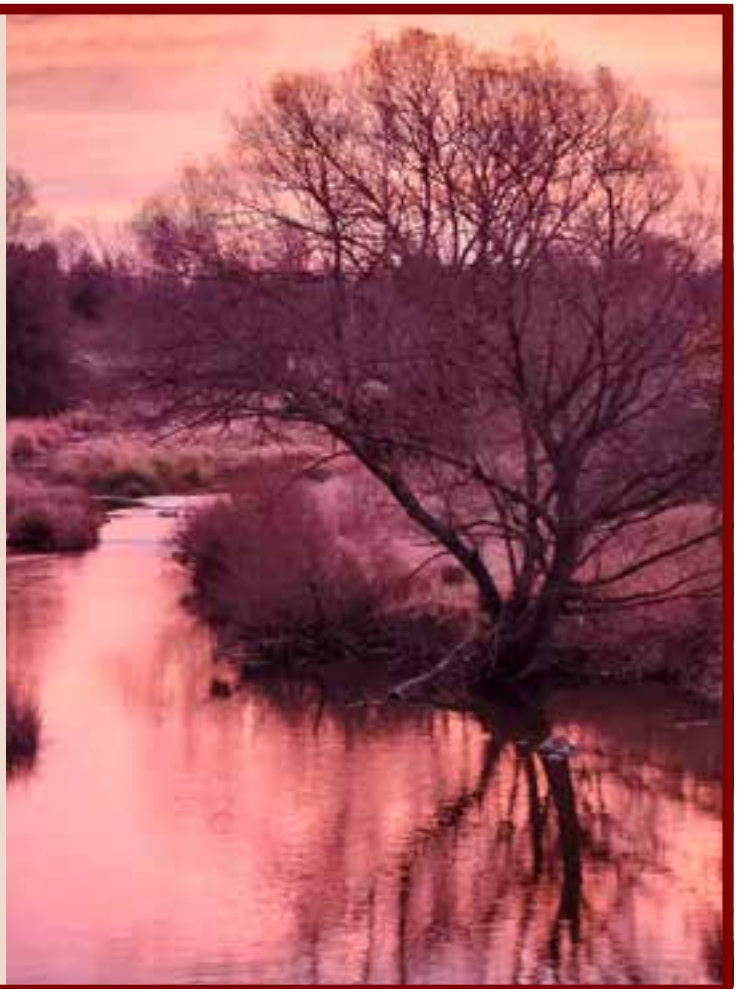

But while it seems like it will never end,
bad times won't last.

Life goes by in a blink of an eye,
the good times, the hard times,
the times you want to last.

Slow down, take it in, deep breath,
remember it won't last.

Thankyou Thankyou Thankyou!

Thankyou is hardly enough to express my gratitude to all the volunteers that made our Howick Festival of Lights such a success.

- A big thankyou to our arena manager Brady and his wife Steph for all their help this past week setting up and decorating for the event.
- To our Village Management for setting up all the Christmas lights at the arena and looking after the amazing fireworks display. They also supplied hot dogs and chocolate milk to all the kids that came out for the afternoon skate.
- To all the floats that participated in our walk/drive-through parade. It truly looked amazing.
- To our Howick Optimists whom once again put on a successful Wing Night and also big thanks to the U15 hockey team for supplying the extra help to the Optimists – your young legs were sure a great help and gratefully appreciated.
- To Watson's Home Hardware who graciously donated the Food Bank truck and driver and delivery to the Food Bank in Wingham. Also a big shout out to Howick Minor Hockey for their collection of food for this great cause.
- To the Township for securing the grant for the purchase of new Christmas Lights for our villages and having a festival to celebrate it as well. To the Township staff for all the extra help given for the event.
- To KCL Carriages for the horse and wagon rides which young and old all enjoyed.
- To our amazing face painter Paige – the kids were absolutely thrilled with it.
- To the Women's Institute and Howick Legion for running Euchre/Pepper tournament
- To Santa for making the kids' eyes light up and for also stopping in to see our Seniors at the nursing home.
- To Maitland Valley Camera Club for all the wonderful pictures taken of the event.
- To Newry Bus lines for our shuttle service to and from school.
- To Angie of *What's Happening in Howick* for creating the awesome flyer inviting everyone to our event – your newsletter is an invaluable resource to our township and we are truly grateful.
- To anyone else I missed – we sure could not have done it without all your help.
- Last but not least, to all of You that came out making it such an amazing family event. We are truly blessed to live in such a great community.

Wishing you all a very Merry Christmas & Happy New Year
